

# IHE Cardiology MESA Tests

## Test Case 20530 - DRPT

This is an example of a Cardiology Report.

Per IHE Cardiology Technical Framework, Year 2, Volume 2, sections:

- 4.7.4.1.2
- 4.7.4.1.3

The following data elements should be included within the text content of all pdf-formatted reports:

- ✚ Patient Name = John Brown
- ✚ Patient ID = 34-09-20530
- ✚ Date of Procedure = September 12, 2005
- ✚ Date of Report = September 13, 2005
- ✚ Verification Status of Report = VERIFIED
- ✚ Identity of Signing Clinician = Dr. Derrick Sobczak

This is the report text. It is not a very long report.

There are some graphics in this report. They should be a table and a circle.

# of broken arms	Date of broken arm	Color of cast
1	8/23/94	Purple
2	9/14/2001	Green and Gold

And this is a circle with red fill coloring:
