IHE Cardiology MESA Tests

Test Case 20503 - DRPT

This is an example of a Cardiology Report.

Per IHE Cardiology Technical Framework, Year 2, Volume 2, sections:

- 4.7.4.1.2
- 4.7.4.1.3

The following data elements should included within the text content of all pdf-formatted reports:

- ♣ Patient Name = Michael Schmidt
- ♣ Patient ID = 34-09-2343
- ♣ Date of Procedure = September 1, 2005
- ♣ Date of Report = September 2, 2005
- Verification Status of Report = VERIFIED
- ♣ Identity of Signing Clinician = Dr. Derrick Sobczak

This is the report text. It is not a very long report.

There are some graphics in this report. They should be a table and a circle.

# of broken arms	Date of broken arm	Color of cast
1	8/23/94	Purple
2	9/14/2001	Green and Gold

And this is a circle with red fill coloring:
